

**1st & 2nd
Grades**

BY: LEAH POPINSKI

ABOUT THIS PACKET

★ 14 Addition and Subtraction Games to Ensure Fact Fluency!

Fact Family Fun!

Spin the spinner twice. Use the numbers to make a fact family. Find the sum and difference. Write the other addition and subtraction facts for the same fact family. Make sure the numbers are greater than 1.

Fact Family Fun!

+	<input type="text"/>	+	<input type="text"/>
-	<input type="text"/>	-	<input type="text"/>
+	<input type="text"/>	+	<input type="text"/>
-	<input type="text"/>	-	<input type="text"/>

Double

Spin the spinner. Double the number and record your work. Your partner will check your work. The player with the **lowest sum** gets a star. The player with the most tally marks wins.

"This has been a lifesaver! These Christmas Activities have kept my students engaged and learning during this craazy time of year. I have already made copies in grayscale for some of my students to take home to keep practicing over the break." -Nona N.

What's the Difference?

What's the Difference? -7

10	1	2	3	4	5	6	7
6	4	3	2	1	10	9	8
5	5	6	7	8	9	10	1
4	6	7	8	9	10	1	2
3	4	5	6	7	8	9	10
2	3	4	5	6	7	8	9
1	2	3	4	5	6	7	8
10	9	8	7	6	5	4	3

Winner!

More to Make 9?

4	5	6
3	7	8
2	8	9
1	9	10

Draw a number card. Move to the space with the number that will equal 9 when added to the number on your card. To win, be the first one to land in the last box!
