How Long?

Is your  longer than 5 ? Yes

Is your  longer than 5 ?

Is your  longer than 5 ?

Is your  longer than 5 ?

Is your  longer than 5 ?

Is your  longer than 5 ?

Draw pictures of things that are longer than your pencil.

# SUPER CUTE "STUDENT FAVORITE" GAME

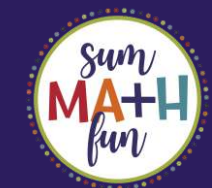

"Love It!!! My kids love using the grasshopper and ladybug to measure things. They are now comparing the length of everything in the room to the grasshopper. Thanks again for another great product!"  
-Laura S.

2	3	4	6	1	2	3
1						4
6	Grasshopper Unit Cards		Ladybug Unit Cards			
4						
3

Start	3	2	1	0		
	Winner					

Spin the spinner. Take the top card from the Cards stack. Use the bug that you spun to measure the picture on the picture card. Move to the number that tells how many.

## Picture Cards

Run pages 19-27 on tag or cardstock for easier handling and durability. Cut out each ladybug and grasshopper individual unit card on the lines. Cut out the whole, long rectangle for each picture card.

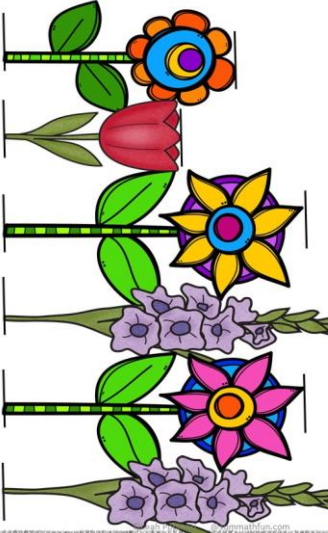

# WORKSHEETS ALSO IN COLOR FOR EASY NO PREP CENTERS!

Name \_\_\_\_\_

### How Tall Am I?

Use  to measure each flower. Write how many.

Name \_\_\_\_\_
